

**ASSOCIATES IN WOMEN'S HEALTH NURSE PRACTITIONER HELPS WOMEN IN MEXICO**

May 16, 2016 – Youngstown, OH – Nurse Practitioner Cynthia Daniels, MSN, RN, NP-C Associates in Women's Health of the Mahoning Valley, Inc. recently participated in a mission trip to San Quintin, Mexico to treat women having female health problems on April 19-23.

Ms. Daniels worked inside a make-shift clinic during her visit, which was made possible through the Good Hope Medical Mission and the Youngstown State University Nursing Program. Besides being a Registered Nurse and Board Certified Nurse Practitioner at Associates in Women's Health, Ms. Daniels is a Clinical Nursing Instructor at YSU.

"I am grateful that I could help women who otherwise would not be able to receive OB/GYN services," states Ms. Daniels. "The female population of Mexico face many of the same women's health conditions and concerns that women in our own community have."

Ms. Daniels holds a Diploma in Nursing from Sharon General Hospital School of Nursing, a Bachelor of Science Degree in Nursing from YSU, a Master of Science Degree with a Concentration in Chronic Illness from the Clinical Nurse Specialist Program at YSU and a Post Master of Science Certificate from the Family Nurse Practitioner Program at YSU.

Ms. Daniels' Nurse Practitioner responsibilities at Associates in Women's Health include providing prenatal care up to delivery, gynecological exams and postmenopausal care. She also performs in-office procedures such as colposcopy, endometrial biopsy and IUD insertion. The Nurse Practitioner position was added to the Associates in Women's Health clinic this year in order to accommodate their growing numbers of patients.

Associates in Women's Health of the Mahoning Valley, Inc. is a female health care provider in Youngstown, Ohio specializing in obstetrics and gynecology. They offer complete OB/GYN care in a professional and upscale environment. With over 15 years of experience as an OB/GYN doctor, the center's owner Rodney E. Hill, MD, FACOG provides services such as birth control management, comprehensive prenatal management, baby delivery and postnatal management. In addition, Dr. Hill treats polycystic ovarian syndrome (a leading cause of infertility), chronic pelvic pain (i.e., uterine fibroids and endometriosis), osteoporosis and menopause. Ultrasounds, including 3D and 4D ultrasounds, are available onsite. Associates in Women's Health is located near the YSU campus, walk-ins are always welcome and appointments are available Monday through Saturday.
